

Dear Family or Friend,

I appreciate you being a part of my life and would like to share an exciting adventure with you. From **[DATE]**, I plan to volunteer in **[COUNTRY]** with Kids Play International. Kids Play use sport to promote gender equality so that both boys and girls are afforded the same opportunities in life to get an education, own land, have a job, handle family finances, etc.

Volunteering and doing humanitarian work is something I've always wanted to do and this opportunity is a dream come true! KPI has a year round *Let's Play Fair* where I will be interacting and helping to teach 130+ children about discipline, sportsmanship, respect between boys and girls, team work, healthy lifestyle... all while playing sports.

I am asking you to support my volunteer work with Kids Play International because I believe real change happens person to person. Please know your money will go directly towards *my* volunteer trip and the needed resources for the sports program that will make a direct impact in these kid's lives; including school supplies, uniforms, medical insurance and much more. Day to day I will be putting your contribution to work, and upon my return will provide you with a short letter along with photos from my experiences. I would also be happy to make a small presentation if you'd like for your company, school, etc.

To make your **tax-deductible** donation toward my trip please go to **[INSERT YOUR VOLUNTEER TRIP FUNDRAISING PAGE LINK HERE]**. For more information on Kids Play International, you can visit their website at [www.kidsplayintl.org](http://www.kidsplayintl.org).

Thank you for taking the time to think about the happiness others will gain from your contribution and know that your support will go far. **Remember, no donation is too small!**

Many thanks for your support,

Kids Play Int'l Volunteer

**Checks can be sent and made Payable to: Kids Play International (please be sure to put my name in the MEMO line, thanks!)**
